Dear Local Business Partner,

Every day, local pets arrive at AHS scared, sick, or simply out of options. What they need first is safety; what they deserve is a future. With your help, we can provide care and a path to a loving home.

Because of our sponsors, we're able to help hundreds of pets each year find the love and care they deserve.

In 2026, the need is growing—and so are veterinary costs. Your sponsorship helps ensure we can say "yes" when an animal has nowhere else to go.

Sponsorships directly fund lifesaving care and community programs. Whether it's a warm kennel, spay/neuter support, or a fun-filled event like Toast to Tails or the Paws 5K, your support truly changes lives and keeps us moving forward as a **no-kill shelter**.

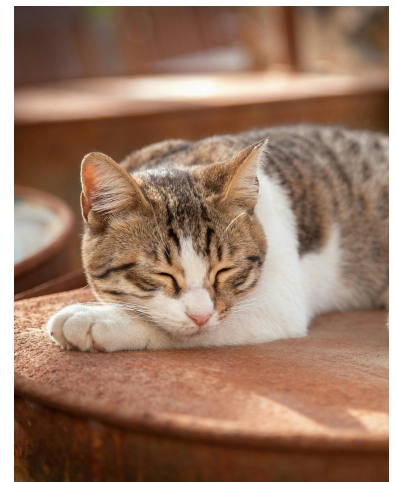

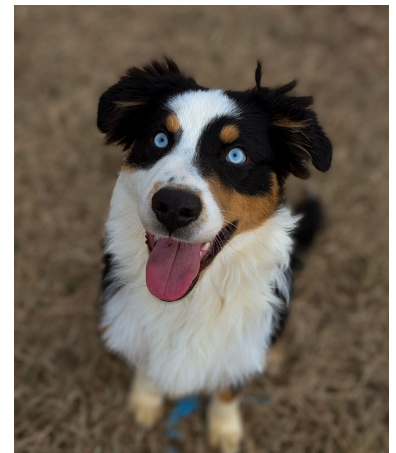

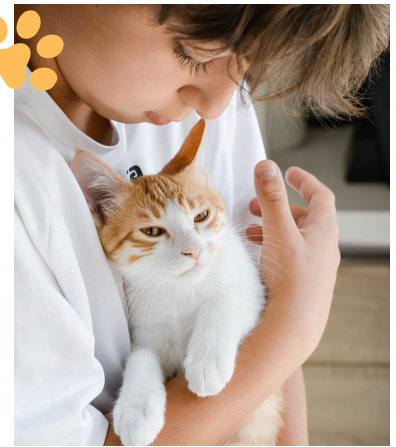

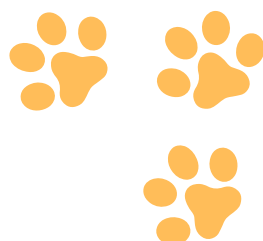

If you've partnered with us before, thank you. If you're considering it for the first time, welcome. **Would you consider becoming a 2026 sponsor?** Every level helps give shelter pets a second chance—and your business receives recognition through event signage, select print materials, and our digital channels, showing customers that you support local animal welfare.

Inside this booklet, you'll find several opportunities to get involved. You can sign up online or by mailing in the enclosed form. And if you have questions or want to talk through the best fit for your business, I'm always happy to connect.

Here's to a new year filled with second chances, wagging tails, and local partners like you who make it all possible!

Warmly,

Kacie Morrell
